Annual Report for the Yampa Valley Pregnancy Center – 2014

This past year, YVPC has been redefining our roll in the community. We were a part of the Teen Pregnancy Workgroup that was looking at the pregnancy rate in our high school population. Please be praying for us as we work toward getting connected with those who need our help.

Basic Statistics for 2014:
        Number of clients requesting pregnancy tests: 10
        Number of client visits for practical needs: 120

Pregnancy testing numbers remained consistent. We did have three positive tests this year, and all those ladies planned to parent their babies.

Our practical needs ministry helps families with items such as clothing, furniture, and diapers. Women and men came into the center to ask for assistance with baby clothing and footwear, and we helped with 45 requests. We had 70 requests for diapers (this number includes those who earned diapers through the Earn While You Learn Program) to which we dispensed 2,049 diapers. We were able to assist clients with 37 requests for larger furniture items. We met 24 requests for food and formula, while the rest of the needs we met filled a variety of requests.

Our Earn While You Learn program continues to be our major program. In 2014, we provided 104 individual classes to interested moms and dads. Clients enroll in our classes on pregnancy, birth preparation, child care, parenting skills, and even some basic life skills. Clients attend class and complete homework to earn "baby bucks" with which they can buy new items to keep for their baby.

Our office is open Tuesdays, Wednesdays, and Thursdays from 1-4 pm and by appointment. We have some great volunteers who helped 218 times this past year, and things would simply not happen without their generous help.

Please let me know if you have any questions about this report. Thank you again for your generous support of this ministry!

Respectfully submitted,
Katie Grobe, Director
